

# NEEDS, WANTS, RIGHTS!

By Christopher Hussey

- chorus (All) **Ev'rybody around the world, they got needs, wants, rights!  
Man or woman and boy or girl, they got needs, wants, rights!  
So with all our might, let's stand up tall and fight  
To protect them. Needs, wants and rights!** (Part 2) *Needs, wants, rights!*
- bridge It doesn't matter where you're from,  
What you look like, what you believe in,  
You've got equal rights too.
- verse 1 (Part 1) I got my hopes, I got my dreams... (Part 2) *There are things I want.  
Fash'nable clothes, designer jeans... So many things I want.*  
(All) But there are other things we need to live each day:  
These common needs affecting people everywhere.  
These are the rights that we all share.
- chorus (All) **Ev'rybody around the world, they got needs, wants, rights!...etc**
- bridge It doesn't matter where you're from...
- verse 2 (Part 1) There are charters written down (Part 2) *To protect our rights.  
They cover the basic needs we've found, These rules will be our  
guide.*  
(All) But still some children have their rights abused each day,  
So let's shout out 'cause they deserve a better way.  
We'll shout aloud, so hear us say:
- chorus (All) **Ev'rybody around the world, they got needs, wants, rights!...etc**
- bridge But if we follow a charter,  
We must ask ourselves when tomorrow comes:  
Has justice been done?
- verse 3 (Part 1) We must practice what we preach, (Part 2) *Responsibility.  
Give others the right to their free speech, A civil liberty.*  
(All) So in respecting people's rights, we'll take the lead,  
An education, food and shelter's what they need,  
Whichever race, whichever creed.
- bridge It doesn't matter where you're from,  
What you look like, what you believe in,  
You've got equal rights too.
- coda (All) **Ev'rybody around the world, they got needs, wants, rights!...etc  
Don't neglect them. Needs, wants and rights!**
